EDUCATION

R.V. College of Engineering, Bengaluru, IN

Bachelor of Engineering in Information Science

Sept 2025 - Aug 2028 (expected)

CGPA - 9.48 (upto third semester)

JSS Polytechnic Mysore, Mysore, IN

Diploma in Information Science and Engineering

Sept 2022 - Aug 2025

CGPA - 9.56

Mysore West Lions Sevanikethan School, Mysore, IN

High School (SSLC)

Feb 2013 - May 2022

CBSE (X) - 88%

CAREER OBJECTIVE

To start my career in the field of software development, leveraging my knowledge in programming, database management, and web development. Eager to contribute innovative solutions and continuously enhance my skills while supporting the goals of a dynamic organization

PROJECTS

AI-Based Oral Cancer Detection and Recurrence Prediction System

- Developed a dual-model AI system to detect oral cancer lesions from images and predict post-treatment recurrence probability.
- Features:** Oral Lesion Detection, Recurrence Risk Prediction, Cross-platform Web and Android Deployment.
- Tools and Technologies:** TensorFlow, MobileNetV2, LightGBM, FastAPI, Vue.js, Python, Pickle, Android APK, SEER Dataset

Home Construction and Design Showcase Platform

- A web-based platform showcasing innovative home construction and design projects, enabling users to explore ideas, connect with professionals, and manage inquiries seamlessly
- Tools and Technologies:** HTML, CSS, JavaScript, PHP, MySQL

Smart Campus Route Planner

- Smart campus Route Planner is a web-based navigation system that uses graph algorithms like Dijkstra and A* to find the shortest, congestion-aware paths between campus locations
- Tools and Technologies:** HTML, CSS, python, flask, Bootstrap, JavaScript

TECHNICAL SKILLS

Languages: C++, C

Frontend: ReactJS, Tailwind, HTML, CSS, Bootstrap

Backend: NodeJS

Developer Tools: VS Code, Git, GitHub, Vercel, Netlify

Relevant CourseWork: Programming in C, Data Structures and Analysis

CODING PROFILES

- [LeetCode](#) - Solved **120+** DSA problems
- [CodeForces](#) – Just Started

LANGUAGES

English, Hindi, Kannada, Telugu

CERTIFICATION AND INTERNSHIP

- [Full Stack Development, Infosys SpringBoard](#)
- [Mastering Web and Python\(Infinite Horizon\)](#)
